Capgemini is committed to focus on bringing accelerated innovation and business transformation as an early adopter and launch partner for Microsoft Cloud for Financial Services.

Capgemini offers innovative Financial Services solutions and accelerators aligned with Microsoft Industry Priority scenarios.

We strongly believe this platform will be a major catalyst for large FSI enterprises as well as Fintechs/ Insurtechs to innovate with new Financial Services products, create frictionless and personalized experiences.

Capgemini selected as Launch Partner for Microsoft Cloud for Financial Services

Winner of Microsoft Partner of the Year Award – Power Apps 2022

Winner of Microsoft Business Applications Inner circle Award 2022/23

# BUILD AUTOMATIONS WITH ONE MICROSOFT

Automation scales quickly with native integration across apps and services

In any business process, employees need to collaborate with different stakeholders using multiple platforms & tools

For example:

Public sector

Banks

Retail

Supply chain

Shipping

Oil & Gas...
